SCHOLARSHIP OPPORTUNITY

Apply by 10/31/2026

The American Public Works Association (APWA) Iowa Chapter is proud to support the next generation of public works professionals through two **$2,000** scholarship opportunities for students pursuing careers to enhance and sustain our communities.

Whether your interests include engineering, transportation, water resources, environmental science, construction management, public administration, or related fields, we encourage you to apply.

WHO SHOULD APPLY:

Students who:

- Have completed a public works-related summer internship
- Are enrolled in a college, university, or technical program
- Demonstrated academic achievement, leadership, and community involvement
- Have a strong interest in a career serving the public through infrastructure and public works

REQUIRED APPLICATION MATERIALS:

- Completed scholarship application
- Resume or curriculum vitae
- "Why Public Works" Essay
- One letter of recommendation
- Minimum GPA of at least 3.0
